## PLASTIC ORDER FORM

PLEASE READ AND SIGN THE FOLLOWING

ORDERS RECEIVED WITHOUT SIGNED FORM WILL BE PLACED ON HOLD UNTIL CUSTOMER CONSENT

Classic Components makes every effort to avoid processing plastic parts that contain blemishes or imperfections. Often we strip and plate plastic parts numerous times to achieve a presentable product. Unfortunately, plastic plating is extremely difficult to do and **we cannot guarantee your finished product will be completely free of any imperfections, small bubbles or irregularities.**

In the event serious imperfections are noted, we will make every attempt to stop plating your items and notify you. When common problems exist however, we will proceed with the plating process as usual. Thank you for your cooperation and please let us know if you have any questions.
